## Unleashing the Power Program to Hold Workshops This Year

At their meeting in June, the Friends United Meeting General Board approved a proposal from North American Ministries to ask Board member Emily Provance to assume the role of coordinating the Unleashing the Power program for congregational vitality. Though it has lain dormant for several years, Unleashing the Power is a North American program intended to combine spiritual formation and practical skill-building to energize and equip Friends in nurturing healthy and faithful congregations.

Nine virtual workshops are proposed for 2022–2023. Beginning in October 2022, these monthly Zoom workshops will cover topics such as the following:

- Community ministries (shelters, tutoring programs, food pantries, etc.)
- Having grounded conversations across differences
- Conflict within congregations
- Gifts and leadings and how these can guide nominations and service in the Meeting
- Small congregations
- Children's ministries
- How congregations can be supportive of parents
- Hybrid worship communities and the implications of this beyond worship
- Faithful closure for congregations reaching the natural end of their life cycles

We hope that many of our North American churches and Meetings will send one or more members to each of these workshops. Dates, facilitators, and registration information are coming soon. We will all be enriched by the presence of Friends throughout North America.

The vision for the series is best expressed in Ephesians 4:12-16:

“...to equip his people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ. Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of people in their deceitful scheming. Instead, speaking the truth in love, we will grow to become in every respect the mature body of him who is the head, that is, Christ. From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work.”

Former pastor Ray Lambe has been diagnosed with ALS. Please keep Ray and Anneal in your prayers. If you would like to send a card Ray's address is:

Ray and Anneal Lambe, 2070 Cook School Road, Pilot Mountain, NC 27041

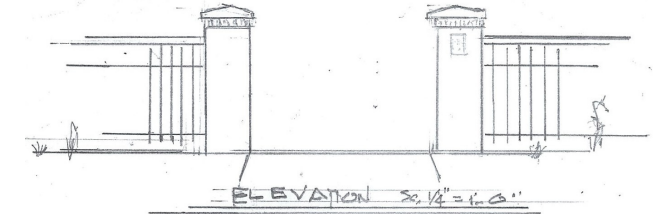

## Kids Klub Walk and Column Project

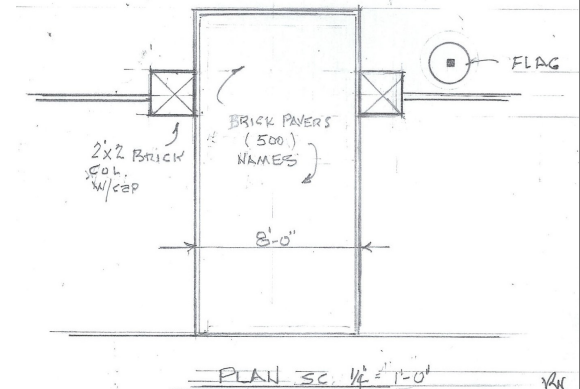

On Sunday, June 12, 2022 Monthly Meeting approved proceeding with the project to add brick columns and a brick paver walkway at the gap in the Playground fence after the construction of the Alan Boone Court last year.

Plaque for the right side column

Elevation drawing of the brick columns

Overhead layout plan for the brick paver area

The plaque above will be affixed to the right hand column shown in the elevation drawing shown above right.

Between the columns and leading from the asphalt paved driveway/parking lot we plan to pave the approximately 8' x 16' walkway using commemorative brick pavers. A sample brick is shown at right.

Our walkway will resemble the walkway in Bicentennial Park in Downtown Asheboro, and the bricks will be made by the same company as those in the park. Each paver brick can be inscribed as a memorial or a tribute for a donation of \$50.00. All profits from this project will support Kids Klub projects and activities. An order form for bricks is included. If you have any questions please call the office 336-625-3803 or your pastor 336-689-4275.

This will be a lasting tribute to Miss Susan Coltrane and all those who have worked so tirelessly through the years to make Kids Klub a vibrant place for our young people!
