Kids Klub Walk and Column Project

On Sunday, June 12, 2022 Monthly Meeting approved proceeding with the project to add brick columns and a brick paver walkway at the gap in the Playground fence after the construction of the Alan Boone Court last year.

Brick paved walkway and columns

Brick paved walkway with sample brick

The project is progressing well. The photograph above left shows the two brick columns are complete. Thank you to the late Fred Lineberry for a job well done. A plaque will be affixed to each of the columns in the coming days. The paver bricks are also in place. The sample brick (*photograph below*) has been installed as you can see in the photograph above right.

We have already received orders for several bricks. These may be a tribute or a memorial to loved ones. A brick may contain a special scripture verse or a meaningful verse from an appropriated poem or song.

Our walkway will resemble the walkway in Bicentennial Park in Downtown Asheboro, and the bricks will be made by the same company as those in the park. Each 4" x 8" paver brick is available for a donation of $50.00. 8" x 8" pavers (six lines of text) are available for a donation of $100.00. All profits from this project will support Kids Klub projects and activities. An order form for bricks is included or may be obtained in the office or on the Asheboro Friends website: www.asheborofriends.org. If you have any questions please call the office 336-625-3803 or your pastor 336-689-4275.

The dedication for his lasting tribute to Miss Susan Coltrane and all those who have worked so tirelessly through the years to make Kids Klub a vibrant place for our young people is being planned for Palm Sunday, April 2, 2023.

Christmas
