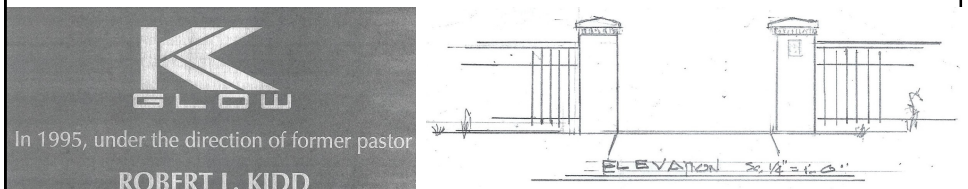
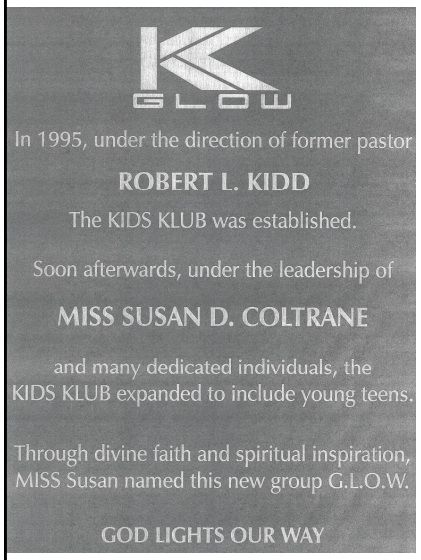
Kids Klub Walk and Column Project

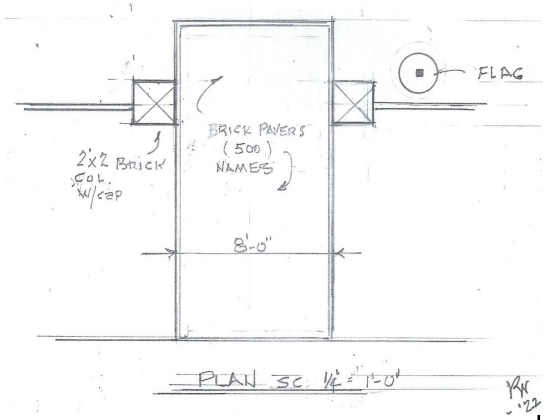
On Sunday, June 12, 2022 Monthly Meeting approved proceeding with the project to add brick columns and a brick paver walkway at the gap in the Playground fence after the construction of the Alan Boone Court last year.



Elevation drawing of the brick columns



Plaque for the right side column



Overhead layout plan for the brick paver area

The plaque above will be affixed to the right hand column shown in the elevation drawing shown above right.

Between the columns and leading from the asphalt paved driveway/parking lot we plan to pave the approximately 8' x 16' walkway using commemorative brick pavers. A sample brick is shown at right.

Our walkway will resemble the walkway in Bicentennial Park in Downtown Asheboro, and the bricks will be made by the same company as those in the park. Each paver brick can be inscribed as a memorial or a tribute for a donation of $50.00. All profits from this project will support Kids Klub projects and activities. An order form for bricks is included. If you have any questions please call the office 336-625-3803 or your pastor 336-689-4275.

This will be a lasting tribute to Miss Susan Coltrane and all those who have worked so tirelessly through the years to make Kids Klub a vibrant place for our young people!
