---

*And he entered Jerusalem and went into the temple.  
And when he had looked around at everything, as it  
was already late, he went out to Bethany with the  
twelve.*

— *Mark 11:11 (ESV)*

*Now what Dyson and Tolkien showed me was this:  
that if I met the idea of sacrifice in a Pagan story I  
didn't mind it at all. . . in Pagan stories I was pre-  
pared to feel the myth as profound and suggestive of  
meanings beyond my grasp even tho' I could not say  
in cold prose 'what it meant'.*

*Now the story of Christ is simply a true myth: a myth  
working on us in the same way as the others, but with  
this tremendous difference that it really happened.*

— *C. S. Lewis*

*We extend welcome to all guests to our Meeting and ask that you please  
fill out one of the yellow cards found in the slot on the back of the pews.*
