

## REVITALIZING EXISTING CHURCHES

### Friends Church of North Carolina

#### Revitalization Committee

The Revitalization Committee was formed by the Ministry & Counsel of FCNC expressly for the purpose of revitalizing the meetings of FCNC. The committee is comprised of pastors, retired pastors, and lay persons (even though in the Society of Friends we do not really have “lay persons” since we are all ministers in whatever capacity we may be called.) No matter how well a meeting may be doing, we can always do more to serve the Lord.

The FCNC Revitalization Committee will meet with Asheboro Friends on Sunday afternoon, January 23 2022 at 3:00 PM in the sanctuary. This will be an open discussion of the ministries and service of Asheboro Friends. All members, prospective members, and attenders are invited and encouraged to attend.

Please plan to attend afternoon if at all possible. In any case, please be in fervent prayer that this will be the beginning of an exciting new year of faithful service. A letter with more information about the Revitalization Committee is available.

This meeting was originally scheduled for this afternoon but has been postponed until Sunday, January 23, 2022 due to illness and other concerns of several of the committee members.

*But it displeased Jonah exceedingly, and he was angry. And he prayed to the Lord and said, "O Lord, is not this what I said when I was yet in my country? That is why I made haste to flee to Tarshish; for I knew that you are a gracious God and merciful, slow to anger and abounding in steadfast love, and relenting from disaster. Therefore now, O Lord, please take my life from me, for it is better for me to die than to live."*

*And the Lord said, "Do you do well to be angry?"*

*"Anger makes you smaller, while forgiveness forces you to grow beyond what you were."*

*"Anger is never without a reason, but seldom a good one."*

**Neighbors Helping Neighbors**

(NHN) is a program of the Christians United Outreach Center (CUOC) that brings the community together. We don't give gifts, but instead offer help with things such as dentures, dental work, home needs, and so much more. We operate all year long, focusing on the "difficult to meet" needs that always come up.

Due to the generosity of The HUB, letters of request are published from Thanksgiving until the first of January to help generate support for needs often un-met by programs already available in our community. While letters are being published, the committee meets weekly to review, refer and work with clients requests.
