# Welcome Home

to Allen and Juanita Bullard

In February 2021 a need to help a retired Friends pastor came to our attention. We learned that Allen and Juanita Bullard could use some help. Allen and Juanita were living in a travel trailer/RV on property belonging to their daughter, Angela. The RV was connected to a septic system for the old home place that used to belong to Juanita's parents. The RV was not meant to live in full time and was bought three years ago when Allen and Juanita had to move out of the parsonage at Liberty Friends. It was not suitable for them much longer. They had minimal income at the time and paying for the RV was taking most of their funds. We approached helping the Bullard family in a few ways...

1. Friends Disaster Service was not able to help because of the special nature of their "disaster" support. Several volunteers were ready to help, but the property for potential renovation was not adequate.
2. We investigated any funds that FCNC or NCYM might have that could be used to help Allen and Juanita. There were no trusts or accounts set up for this specific purpose.
3. We made the requests to local meetings served by Allen and Juanita: Concord, Edward Hill, Liberty, Science Hill, and now closed Spring Garden.
4. We made a general plea for help to FCNC, as people touched by their ministry were scattered and serving in a lot of areas.
5. We asked for prayer for this request. We prayed for God to do the work in hearts before the requests were made so that these two servants of God could get the help they needed and deserved.

The result was an outpouring of love and support, individuals, meetings, quarters, and FCNC all sent money to Allen and Juanita. One couple heard the need, and had a small rental home and offered it to Allen and Juanita. Allen and Juanita met with the couple, discussed the property and moved in to the rental home over the next eight weeks or so. Allen and Juanita are so appreciative of the ministry of friends and Friends and the outpouring of love and support to them during their time of need. Good is so good!

A special "Thank You!" to Greg Creed from Concord Friends for spearheading this outreach.

*None Shall Make Them Afraid, by Doyle Penrose*

When William Penn summoned the Indians of the region which is now Pennsylvania and made his famous pact with them, he said: "The Great Spirit rules in the heavens and on earth. He knows that we have come here with a hearty desire to live with you in peace. We use no hostile weapons against our enemies. Good faith and goodwill toward men are our defenses. We believe you will also deal kindly and justly with us. I will not call you children, for parents sometimes chide their children severely; nor brothers only, for brothers differ. The friendship between me and you, I will not compare to a chain, for that the rains might rust or a falling tree might break. We are the same as if one man's body were to be divided into two parts. We are all of one flesh and one blood." At every sentence all the Indians shouted a response in their own language. At the end the chief replied for all his people, "We will live in love with William Penn and his children, as long as the sun and the moon shall shine."
